Homestudy: If you live in Washington or Alaska, WACAP can complete your adoption homestudy for \$2,200 plus social worker's transportation costs. Payment is due before your first meeting. If you live in another state, a WACAP Cooperating Agency may complete your homestudy, typically for a fee of \$1,200–3,000, depending on the agency. Due to USCIS requirements, some families may need to have their homestudy updated during their adoption process. Update fees are determined by the homestudy agency, varying from \$300–1,200. If WACAP completed your homestudy, it can be updated for a \$600 fee plus mileage costs.			
Adoption Preparation Costs: Some agencies incorporate training costs into their homestudy fees; others separate them out. Costs range between \$150–300, depending on who offers the training, the number of classes taken, and the format (e.g. in-person, online, webinar, etc.).			
Homestudy Review Fee: If you choose to use an agency other than WACAP to complete your homestudy, you will be charged a \$350 homestudy review fee so that we may ensure that your homestudy meets the criteria and expectations of U.S. and foreign authorities.
